

Aerorisk Intermediate Programme in Aviation Insurance Practice & Aerorisk Advanced Programme in Aviation Insurance Practice

ONLINE PROGRAMME

Aerorisk Aviation Insurance Programmes (Intermediate & Advanced) are **ATHE Endorsed** and **HRD Corp Claimable**, designed to **upskill professionals** with progressive, industry-relevant capabilities in aviation insurance.

The Intermediate Programme provides a strong foundation in aviation risk exposures, principles of aviation insurance and aviation and insurance industry

The Advanced Programme builds on this foundation, focusing on complex insurance structures, contractual liabilities, major loss claims, risk financing, and strategic insurance programme design for senior professionals. Together, these programmes equip participants with industry-relevant knowledge aligned to real-world aviation operations and regulatory expectations.

**Designed for aviation professionals, insurers, brokers,
risk managers, and aviation service providers and
students seeking structured,
industry-relevant insurance knowledge**
